I give permission for my son/daughter (or myself, if I am over 18) to participate in the 2024 NaCoMe Spring Youth Retreat. I understand that participation in the retreat will involve a variety of activities and that no guarantee can be made against injury or illness. I further understand that in the event of an emergency, the leaders of my specific group or NaCoMe will attempt to contact the parent/guardian/emergency contacts listed. I authorize my group leaders and NaCoMe to release medical records and seek any appropriate medical treatment necessary if I am unable to be reached. I am aware that NaCoMe does not provide financial coverage for medical treatment for participants. Finally, I give my permission for NaCoMe and staff, my group leaders, to take pictures or videos of myself or my child on this retreat and to use that media for promotional materials.
